BUILDING THE PEACE

1918-2018 | A WORLD OF DIFFERENCE

In 1918 countries engaged in the First World War signed an Armistice to cease hostilities. It marked a desire for a lasting peace in Europe. 100 years later we remember the cost of war, whilst looking forward and asking how we, as a community, can build a peaceful future.

Macclesfield Team Ministry have planned a week of musical and artistic events shaped by the peace that is at the heart of our faith. We were inspired by the late David Wightman's vision of bringing the community together to celebrate peace and hope as well as remember the very difficult events of conflict over the last 100 years.

3-11 NOVEMBER 2018

Many other churches, faiths and organisations are partnering with us and will also be running events during the week.

LOOK OUT FOR THE INTERFAITH PEACE CAFÉ AND OTHER ACTIVITIES.
